ROOT AWAKENING
FARM

Fuel Our Farm

Root Awakening Farm is a therapeutic farm dedicated to creating a safe and restorative space for individuals in recovery from substance use disorders. Through regenerative farming, wellness, and recovery activities, participants reconnect with nature, themselves, and their community while developing skills and confidence for long-term healing.

What it Means to be a Donor

When you give to Root Awakening Farm, you're not just making a donation, you're helping us **plant seeds into the lives of people in recovery**. Each gift is tied to an experience, allowing you to see, taste, and feel the impact of your support while connecting personally with the mission of recovery, wellness, and agriculture.

Become A Monthly Donor

Your monthly donation fuels a powerful cycle of recovery and wellness. Every gift nourishes our mission and strengthens the foundation for lasting change. By visiting our website, you can become a monthly donor at any amount.
Here are some suggested levels:

Seed — $10 Monthly Gift

Donors at the Seed level help us create welcoming, healing spaces for participants.

Benefits:

- Early access to farm events and workshops.

Root — $50 Monthly Gift

Root donors provide stability for programming that helps participants build resilience and connection.

Benefits:

- An invitation to the annual Wellness Day at the farm.
- Early access to farm events and workshops.

Harvest — $100+ Monthly Gift

Harvest donors support the farm's ability to provide nourishment through food, wellness, and workforce development.

Benefits:

- One private sauna session for you and up to 6 guests. (Values at $700)
- An invitation to the annual Wellness Day at the farm.
- Early access to farm events and workshops.

Don't want to give monthly?

No problem, you can make a one time donation. Your one-time gift plants a seed of hope and healing. Each contribution makes an immediate impact, nourishing our mission and helping us grow programs that support recovery and wellness.

ROOT AWAKENING
FARM

Grow A Legacy

Honor your commitment to recovery, wellness, and community by contributing specifically to the development of our core spaces on the farm. Here are some of our funding priorities for direct giving:

Sauna & Cold Plunge ($50,000): Together, the sauna and cold plunge form the centerpiece of our wellness pillar, offering contrast therapy **that reduces stress, restores balance, and builds resilience in both body and mind.**

Dock & Boathouse ($20,000): The dock and boathouse support outdoor recreation, mindful walking, and water-based wellness activities.

Farm Stand ($20,000): Our hub for community connection and workforce training. The Farm Stand allows participants to sell produce, plants, and value-added goods, building job skills while providing the public with fresh, locally grown food and a tangible connection to recovery through agriculture.

Yoga Platform ($15,000): A dedicated outdoor space for movement, meditation, and group wellness activities. The Yoga Platform anchors our wellness pillar, offering participants a place to restore balance, practice mindfulness, and build healthy routines.

Potting Shed/Greenhouse ($15,000): This space provides hands-on opportunities for participants to propagate plants, learn sustainable growing practices, and cultivate skills for our social enterprise initiatives.

Nature's Pace ($5,000): A mindful walking trail that winds through the farm, offering a peaceful space for reflection, connection with nature, and gentle movement. Sponsorship of Nature's Pace supports participant wellness and provides a grounding experience for visitors.

Herb Garden ($2,000): A vibrant space for cultivating culinary and medicinal herbs, connecting participants to the practical and healing uses of plants. Sponsorship supports both nutrition education and holistic wellness practices.

Butterfly Garden ($2,000): A sensory-rich garden that attracts pollinators and symbolizes transformation. Sponsorship of the Butterfly Garden provides beauty, biodiversity, and a powerful metaphor for recovery and renewal.

Raised Garden Beds ($1,000): Our eight raised garden beds provide accessible, hands-on opportunities for participants to grow fresh food and learn sustainable farming practices. Sponsorship helps nourish both the body and spirit while fostering responsibility and skill-building.

Meditation & Prayer Spaces ($1,000): Quiet corners of the farm designed for stillness, reflection, and spiritual grounding. Sponsorship of these spaces ensures participants have a safe environment to process, heal, and restore balance in their recovery journey

Legacy Donor Benefits

At Root Awakening Farm, we believe in reciprocal relationships. Your generosity makes our work possible, and in return, we're honored to share gifts of gratitude with you. As a our token of appreciation, we offer a range of special recognitions and experiences to choose from:

- **Permanent Plaque Recognition:** a lasting tribute at Root Awakening Farm honoring your business, a loved one, or your legacy of support.
- **One private wellness experience for you and up to 6 guests:** yoga, breathwork, meditation, or movement glass **(Valued at $500)**
- **One private sauna session for you and up to 6 guests. (Valued at $700)**
- **An invitation to the annual Wellness Day at the farm.**
- **Early access to farm events and workshops.**
